

Native Plant Society of Texas

Meeting of the Tyler Chapter Business Meeting & Guest Speaker

Monday, June 10, 2024

1:00 PM at the

Tyler Nature Center

11942 FM 848, Tyler

<https://www.npsot.org/chapters/tyler/>

The mission of the Native Plant Society of Texas is to promote conservation, research and utilization of native plants and plant habitats of Texas through education, outreach, and example.

Native Plants in the Garden Lin Grado

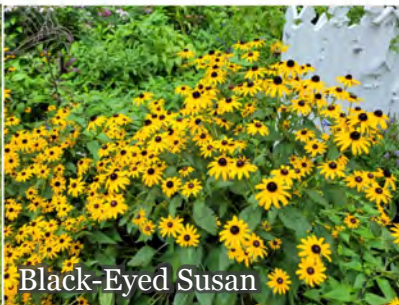

False Indigo

Indian Pink

Purple Coneflower

Black-Eyed Susan

Native plants are beautiful, but some are better suited to a garden setting than others.

We'll explore what differentiates those that are well-behaved in the garden and deserve a place of honor front-and-center, from those that are back-of-the-border plants.

Photos taken in the gardens at the Wood County Arboretum in Quitman

DIRECTIONS

Tyler Nature Center,
11942 FM 848

Located southeast of central Tyler.
Take Loop 323 to University Blvd
(SH 248).

Go east on SH 248 past the UT Tyler
Campus to FM 848 (about 3 miles).
Turn right on FM 848 and travel about
0.7 mile.

Turn right at 11942 FM 848.
The meeting is in the first building on
the right, next to the pond.
