## Weather in East Texas and Surrounding Areas

Dave “Doc” Deason, Meteorologist

Dave plans to talk about severe weather parameters in general and products used in forecast meteorology to alert the public ahead of time.

### ABOUT THE SPEAKER

Dave Deason — a lifelong resident of East Texas — attended Tyler Junior College and graduated from Stephen F. Austin University. His passion for weather dates back to his childhood when, as an elementary school boy with a radio, he eagerly followed the latest news about incoming thunderstorms. In 2001, he earned his Meteorology Certificate from Mississippi State University. Since 1990, Dave's broadcasting career has included roles in both radio and television as a meteorologist, now further complemented by his online presence on Facebook (<https://www.facebook.com/docdeasonweather>). Dave is also a licensed real estate professional.

### DIRECTIONS

Tyler Nature Center,  
11942 FM 848

Located southeast of central Tyler.  
Take Loop 323 to University Blvd (SH 248).  
Go east on SH 248 past the UT Tyler Campus to FM 848 (about 3 miles).  
Turn right on FM 848 and travel about 0.7 mile.  
Turn right at 11942 FM 848.  
The meeting is in the first building on the right, next to the pond.
